Employment Times - We are a weekly publication dedicated to help-wanted advertising, and distributed (in print form) throughout Maine, New Hampshire and Northern Massachusetts. Our standard ad sizes, free professional ad design and multi-week programs assist employers of all sizes to recruit more efficiently while reducing their "cost of hire." Our articles are educational, and, we hope, inspirational for those who work for a living. The articles we run are designed to assist those seeking employment, educational and professional development. Other features include information on current networking opportunities, career development information, job search tips, and more. www.employmenttimesonline.com

Peace Corps - over four decades of Peace Corps. And it's still growing. More than 190,000 Peace Corps Volunteers have served in 139 countries all over the globe. They've been teachers and mentors to countless children. They've helped farmers grow crops, worked with small businesses to market products, and shown women how to care for their babies. More recently, they've helped schools develop computer skills and educated entire communities about the threat of HIV/AIDS. Throughout its history, the Peace Corps has adapted and responded to the issues of the times. In an ever-changing world, Peace Corps Volunteers meet new challenges with innovation, creativity, determination, and compassion. These are the qualities that have allowed—and continue to allow the Peace Corps to achieve its mission. www.peacecorps.gov
